

**Plants that dropped their leaves but  
Re-leafed (within 3 months)**

**Trees:**

1. Mango -FF
2. Avocado -FF
3. Lime - FF
4. Moringa

**Shrubs:**

1. Beauty Berry-N
2. Butterfly Sage-N
3. Pineland Croton-N
4. Panama Rose -FF
4. Texas Sage - Ff
5. Jatropha - FF
6. Non-native Fire Bush- FF
7. Gardenia -FF
8. Hibiscus -FF
9. Orange Jasmine -FF
10. Firebush -N
11. Arboricola - FF
12. Dwarf bougainvillea - Ff
13. Cocoplum - N

**Vines:**

1. Bougainvilleas -FF
2. Bleeding Hearts (red)-FF
3. Petrea-FF
4. Passion vine (Maypop)-N
5. Mandevilla-FF

**Groundcovers:**

1. Peperomia -N

**Florida Friendly Plants  
that survived Salt Water Surge**

**Trees:**

1. Mimosa-pink
2. Bottle brush
3. Pink Tabebuia
4. Plumeria (Frangipani) normally drops leaves

**Shrubs:**

1. Ixora
2. Mimosa-red
3. Non-hybrid gardenia
4. Bird of Paradise (orange and white)
5. Split leaf Philadendrum
6. Crinum Lilly
7. Green Island Ficus
8. Firespike
9. Cardboard Palm (Cycad)
10. Surcease Foetida
11. Agaves
12. Dracaenas

**Palms:**

1. Bottle
1. Pigmy Date
2. Christmas
3. Dwarf Date
4. Foxtail
5. Chinese Fern
6. Coconut

**Groundcovers:**

1. Foxtail Fern
2. Lirope
3. Kalenchoe
4. Flax
5. Baby Rose Ice Plant

**Grasses:**

1. Zoysia
2. St Augustine

# Calusa Garden Club of Marco Island

## Plant List

**CALUSA GARDEN CLUB**  
members contributed to this list  
of plants after salt water flooding  
caused by Hurricane Ian.  
Results varied by how different  
landscapes flooded.

Our club meets the 2nd Monday of  
every month, October through  
March at Rose Hall at the  
Marco Island Public Library.  
210 S Heathwood Drive

Native Plants that survived  
Salt Water Surge

Trees:

1. Silver and Green Buttonwood
2. Sweet Acacia
3. Lignum Vitae
4. Spicewood
5. Sea grape
6. Wild Lime
7. Willow Busic
8. Pond Apple
9. Pitch Apple (Clusia)
10. Varnish Leaf
11. Black Mangrove
12. Gumbo Limbo
13. Geiger
14. Tamarind
15. Mahogany
16. Oak
17. Cinnecord
18. Wild Olive

Palms:

1. Thatch Palms
2. Royal Palm
3. Sabal (Cabbage) Palm
4. Paurotis
5. Saw Palmetto
6. 6. Silver Palm

Grasses:

1. Muhly
2. Sea Oats
3. Cord grass

Native Plants that survived  
Salt Water Surge

Shrubs:

1. Golden Creeper
2. Coffee-Shiny leaf
3. Coco Plum
4. Stoppers
5. Sea Lavender
6. Jamaican Caper
7. Coontie
8. Necklace Pod
9. Fiddlewood
10. Wax Myrtle
11. Ilex Holly
12. Marlberry
13. Myrsine
14. Devils Backbone
15. Geranium Aralia
16. Coral Bean
17. Yucca
18. Agave Dickens
19. Walter's Viburnum

Vines:

1. Cape Honeysuckle
2. Jacquemontia (Key West Morning Glory)
3. Yellow Jessamine
